

ADVANCED CLINICAL NUTRITION 2012

is a intensive conference offering a comprehensive update in the rapidly expanding field of preventive medicine and clinical nutritional therapies. Leading authorities in research and application of clinical nutritional medicine will be presenting the most current information available.

ADVANCED CLINICAL NUTRITION 2012

will be a unique opportunity to learn and keep abreast of worldwide research, facilitating an exchange of ideas with physicians and researchers. Special topic this year is: Mental Diseases.

ADVANCED CLINICAL NUTRITION 2012

is organized by the European Laboratory of Nutrients / Health Diagnostics and Research Institute together with the World Health Foundation (WHF), World Society of Anti-Aging Medicine (WOSAAM) and the Dutch Society of Anti-Aging Medicine (DSAAM).

PROGRAM

- 08.00-09.00 Welcome and registration
- 09.00-09.30 Prof. Dr. Emar F. Vogelaar (The Netherlands)
